Students will be picked up at the airport on arrival by their host family.

In the even a host is not able to pick up a student on arrival, the student and natural parents will be contacted directly via email by the Homestay Coordinator to confirm what other arrangements have been made.

Our Homestay Coordinator (or another staff member) will be on site at the Calgary airport on all designated arrival dates to greet students and to ensure that they are safely connected to their host family for the trip back to Red Deer.

If you have any flight changes, delays or problems during your travels, the emergency numbers are:

This is who you will be looking for at the airport and here is the logo that will be on her sign.
