notes

- 1 PhoneBox can set the scheduled termination, so you won't forget to terminate.
- 2 We also have a guideline translated in different languages to help student, parents or host families.

our Plans

i All plans have **unlimited national calls and texts,**
& **unlimited international texts.**
Plans are prepaid with a 30 days term.

Save \$10

by ordering your SIM Card through this link:

You can request the SIM Card shipping for your country,
your homestay or anywhere else in the world.

need help? Watch our Videos

Watch this video
to learn how to activate
your SIM!

Skip the delivery! Sign up for eSIM!
An eSIM is a digital SIM Card that has the same
function as the physical one.

It sets up a phone line into your mobile.
But with the eSIM you don't need to wait. You
can have everything working in instants only by
scanning the QR code we send to your email!

You just need to make sure that your phone is
compatible with the eSIM technology!

next Steps

Once the payment is complete you will receive a confirmation email with your payment details.

On the day you **schedule** your service to be activated you will **receive another email** with your phone number!

Attention!

When doing the payment you will have the option to save your credit card information for **Auto Payment!** This means that after 30 days we will automatically extend your plan for 30 days more! So you don't have to worry about anything!

Save for Auto Payment

But, if you rather not set up the auto payment, just remember to extend your plan before the 30 days end or your number will expire!

download our App

You can **extend your line, change your plan** and more in our PhoneBox App!

Your parents would like to manage your account?
Or your host family would like to help you with that? No worries!

No matter where they are they can download the PhoneBox App and manage your account!

questions? We Have Answers!

- When can I scan the eSIM QR code?

The QR Code should only be scanned when you arrive at your destination. The QR Code can only be scanned once. So, please, do not try to scan it before your arrival or you will need to contact us to get a new one.

- What are the payment methods available?

You can pay with an international or Canadian credit card, a Canadian debit card, Google Pay, Paypal, Alipay, or WeChatPay.

- What should I do if I lose my mobile phone?

Contact PhoneBox so we can send you a new SIM Card so you can keep using our service with the same phone number.

- How long does shipping take to international countries?

It usually takes around 1 month.

- What should I do if I do not have service in Canada?

Please check our easy troubleshooting tips [here](#), or contact our Customer Service.

- Can I schedule the termination of PhoneBox service before going back to my country?

Yes, you can choose a cancellation date in our APP or contact our customer service.

If you need to change the service start date, if your QR code is not working or if you need help with something else, please, contact our customer service.
